

1. Product Description

Product description	: SOMAFIX POLYURETHANE FOAM CLEANER is used for cleaning all polyurethane based chemicals, more effective if used before curing. It prolongs life of the gun if used properly and timely and removes polyurethane residues.
Use of the substance/mixture	: Polyurethane Foam Cleaner
Recommended use	: Industrial use Professional uses Consumer use

2. Characteristics

Characteristics	: Powerful solvent based aerosol cleaner for removing uncured PU foam (straw and gun adapter foam) It can be used in all positions Particularly designed for cleaning the foam from the gun
-----------------	---

3. Application

- Using for cleaning foam gun as well as those places where foam has contaminated unintentionally.

4. Application Instructions

- Application temperature is between -10 °C to +35 °C
- Shake well the can before use
- Tightly secure the can onto gun
- Trigger the gun until cleaner gets out of the gun
- The residue can also be cleaned before curing
- Unsecure and remove the can from the gun
- Use gloves and protective glasses during application
- Actuator is included for removing the foam from the gun adapter

5. Technical Specifications (@ 23 °C 50% RH)

Basis	: Solvent mixture.
Colour	: Colourless
Odour	: characteristic
Density	: 0.75 - 0.85 g/cm ³
Flash point	: Not applicable, as aerosol.(≤50°C)
Application Temperature	: -10 - 35 °C

6. Packaging

Packaging	: Aerosol.
-----------	------------

Canister 500 ml	Package 12 pcs/ctn
-----------------	--------------------

7. Shelf Life and Storage

Storage conditions	: Protect from sunlight. Do not expose to temperatures exceeding 50 °C/ 122 °F. Store locked up. Store in a well-ventilated place. Keep container tightly closed. Keep cool.
Storage temperature	: -10 - 35 °C

Canister 500 ml	36 months (after production date if stored at room temperature.)
-----------------	--

8. Health and Safety

Adverse physicochemical, human health and environmental effects	: Pressurised container: May burst if heated,Extremely flammable aerosol,May cause drowsiness or dizziness,Causes serious eye irritation.
First-aid measures general	: Call a poison center or a doctor if you feel unwell.
First-aid measures after inhalation	: Remove person to fresh air and keep comfortable for breathing.
First-aid measures after skin contact	: Wash skin with plenty of water.
First-aid measures after eye contact	: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
First-aid measures after ingestion	: Call a poison center or a doctor if you feel unwell.
Symptoms/effects	: May cause drowsiness or dizziness.
Symptoms/effects after eye contact	: Eye irritation.
Other medical advice or treatment	: Treat symptomatically.
Hand protection	: Protective gloves
Eye protection	: Safety glasses
Skin and body protection	: Wear suitable protective clothing
Respiratory protection	: In case of insufficient ventilation, wear suitable respiratory equipment
